## Change is Good!

A lot has changed - and will continue to change - as we head into summer... and I'm not just referring to the weather (although I'm ready for some sunny, blue skies and warm summer days).

Among some notable changes, Governor DeWine recently announced that the Ohio Department of Health will remove most pandemic health orders on June 2nd. Governor DeWine said schools and businesses will be able to set their own requirements, including for masking and distancing, after the state orders expire.

Another positive change was that seven months after moving up to a Level 3 (*Red*) on Ohio's coronavirus advisory map, Marion County has dropped to a Level 2 (*Orange*) as cases decrease. The last time Marion County was at a Level 2 was on October 1, 2020.

And along with these changes things have started to cautiously open up, which includes local businesses such as funeral homes. For example, families that had postponed 'Celebrations of Life' for their dearly departed to comply with health orders during the pandemic are seeking to schedule those events now that gathering restrictions have been relaxed. So, we encourage you to keep an eye out for these memorial events if you know of a friend or loved one that passed away during the past year of the pandemic.

Then again, other businesses have seemingly opened up full-throttle such as Cincinnati's *Great American Ballpark* and Cleveland's *Progressive Field* which both announced they will open to full-capacity as of June 2. It appears there will be plenty of things to see and do in Ohio this summer in stark contrast to last year.

And in light of all these 'changes', it gives me great pleasure to share with you that we are currently putting plans together with City administration to re-open the Senior Center cautiously and safely, and if the status of Covid-19 cases in Marion County continue to improve we are planning to re-open in early July. We will make a formal announcement when details are complete. Change is good!

## Movin' Outdoors!

Spring is here and summer is near. It is time to get outdoors! Exercising outdoors has several benefits that you can not find indoors.

Exercising outdoors puts you in direct contact with sun light, which gives us higher levels of serotonin. Serotonin is the bodies natural mood stabilizer. Sunlight also increases your vitamin D intake, which also brightens our mood.

Outdoor workouts can be more challenging than indoor workouts because indoors is climate controlled. Outdoor environments are ever changing, forcing us to adapt and work harder. Environmental changes can be anything from slight inclines, bumps, holes, gravel, or obstacles and of course the weather such as strong breezes, heat and extreme cold which makes for a harder workout.

Breathing in clean air compared to recirculated air indoors is also a plus.

# TAKE A WALK!

**Accessibility!** Most people can just walk right out their front doors and find a good place to walk, stretch and practice balance drills.

There are several nice outdoor public venues here in Marion which are free and provide a safe place to walk. Here are a few favorites:

- Our walking path here at the Center, located on the MCBDD property just to our east (1/4 mile long). *You can access the path by entering through the Pace Setters Entrance gate near our bus garage.*
- City Parks
- YMCA Free Community Walking Path (1/2 mile long)
- Tall Grass Trails- Also a great place to ride a bike or take a kayak if you have one.

**Warm-up-** It is important to warmup those muscles before a nice long walk.

Squats 10-15

Step/Reach Up- 5 reps alternating sides.

Step/Punch to Front-5 reps alternating sides.

Step/Punch Down- 5 reps alternating sides.

Ankle circles/rotations- 10 each direction Left repeat on right ankle

**Walking-** *Challenge yourself by carrying 1lb dumbbells or two water bottles.*

Bend at elbows and raise weights out in front of you. Keep elbows next to the body. Walk for 5 minutes, then on minute 6 add in squats- Walk 10

steps, stop and do 5 squats, walk 10 more steps and do 5 more squats for roughly 1 minute, return to a normal walk for 5 minutes, then for the next minute walk 10 steps, stop, do 5 alternating lunges, take another 10 steps and do 5 more alternating lunges.

**Each time you go out for a walk try to add one additional minute to your walk until you can walk a full 30 minutes or more.**

Make up your own fun routines during those 1-minute breaks, some examples are: high knee march, jumping jacks, bicep curls, triceps kickbacks.

Note: Always consult your healthcare provider when contemplating new ideas to promote better health.

## Green Acres to Host Senior Golf League

Green Acres Golf Course will be hosting a Senior Golf League on Thursday mornings this summer. The league is scheduled to begin on **Thursday, May 13** and is open to all area seniors. Golfers should arrive at **8:30 am for pairings** and play will begin at 9 am with a shotgun start. Costs for league play are **\$18** (9 holes with a cart) or **\$9** (9 holes walking). There is also a one time fee of \$10 that goes towards prizes. Steve Grimes is the league coordinator. For more information call Green Acres at 740-387-6114.

WWII Navy vet Don Wilson was honored by his friends & neighbors on May 22. Don served on the aircraft carrier Kitkun Bay and he was a tail gunner on a TBM Avenger torpedo bomber plane that flew missions in the Pacific War. His friend Charlie, who had restored a model of the plane Don flew on, made a fly over in honor of Don!

## Applesauce Custard Pie

*Recipe Submitted by Barb Arms  
via allrecipes.com*

### Ingredients:

- 1 (9-inch) pie shell
- ¼ cup butter or margarine, melted
- ½ cup white sugar
- 2 eggs
- 2 cups no sugar added applesauce
- ¼ teaspoon vanilla extract
- 1 teaspoon ground cinnamon (optional)
- ¼ teaspoon ground cinnamon (for topping)

### Directions:

**Step 1:** In a medium mixing bowl combine melted butter (or margarine), sugar and eggs. Beat until smooth. Add applesauce, vanilla and 1 teaspoon of cinnamon. Mix thoroughly.

**Step 2:** Pour custard mixture into pie shell. Sprinkle top lightly with ¼ teaspoon cinnamon.

**Step 3:** Bake in a preheated oven at 350 degrees F, for 40 to 45 minutes or until set in the center.

**Options:** Taste your custard prior to pouring into the pie shell. You can add more sugar if you prefer a sweeter pie. Adding cinnamon to the custard is also optional. We really prefer cinnamon applesauce, so why not add it to the pie!

## The Lighter Side

### A Rose By Any other

An elderly couple had dinner at another couple's house, and after eating, the wives left the table and went into the kitchen.

The two gentlemen were talking, and one said, "Last night we went out to a new restaurant and it was really great. I would recommend it very highly."

The other man said, "What is the name of the restaurant?"

The first man thought and thought and finally said, "What is the name of that flower you give to someone you love? You know... the one that's red and has thorns."

"Do you mean a rose?"

"Yes, that's the one," replied the man.

He then turned towards the kitchen and yelled, "Rose, what's the name of that restaurant we went to last night?"

### Black and White

Attending a wedding for the first time, a little girl whispered to her mother, "Why is the bride dressed in white?"

"Because white is the color of happiness, and today is the happiest day of her life," replied her mother.

The child thought about this for a moment, then said, "So why is the groom wearing black?"

### Universal Solvent

A father was very proud when his son went off to college. He came to tour the school on Parents' Day and observed his son hard at work in the chemistry lab.

"What are you working on, son?"

"A universal solvent," explained his son, "A solvent that'll dissolve anything."

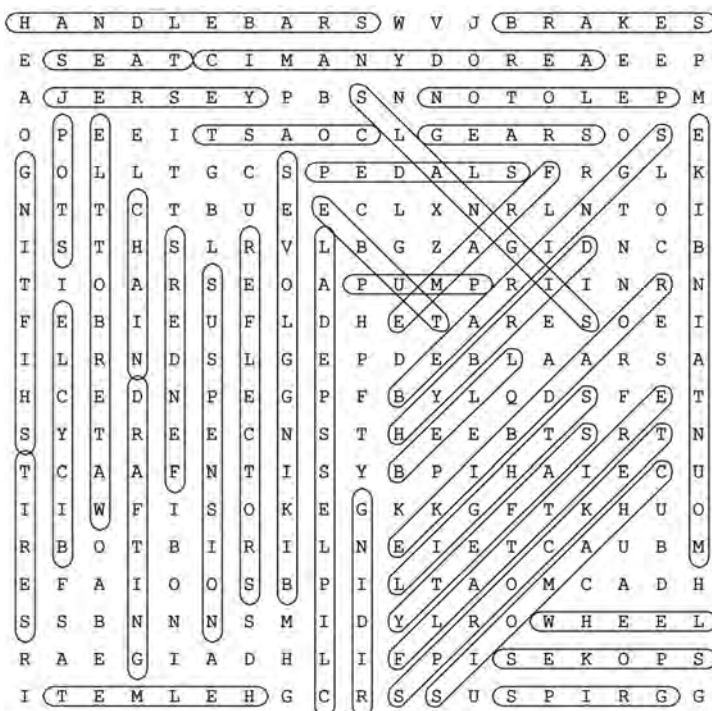

His father whistled, clearly impressed, then wondered aloud, "What will you keep it in?"
